The abstract must be written in English. The abstract will be distributed in a printed booklet and an electronic file on an access-controlled Web site. There will be no formatting done to the abstract prior to publication in the abstract book [1].

Abstract should not exceed one page in length. The dimension of the paper is A4 size paper: 210mm x 297mm. Margins should be 2.5 cm on all sides, and the main text should be written in 11 point Times New Roman (and Symbol, if necessary).

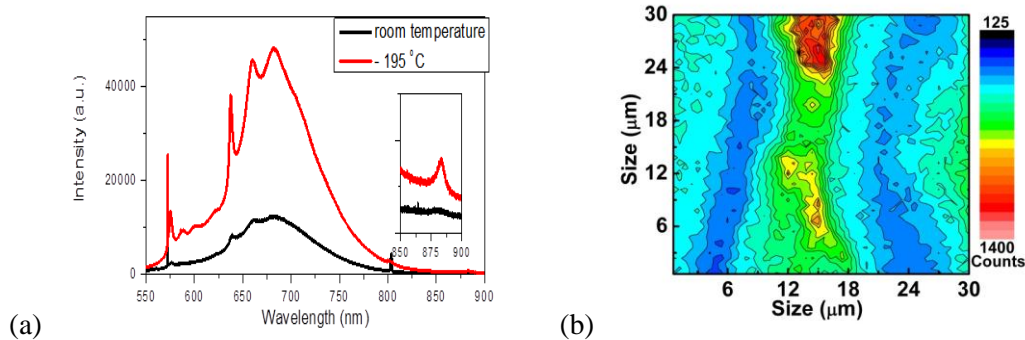

Figure 1 : Captions in 8 point form. (a) The figure, as well as each axis coordinates and titles must be large enough to be easily read. (b) Any micrographs being used should have very good contrast in order to ensure proper visibility.

Some Figures/Tables may be included to the abstract. Figures should be centred and small ones may be placed side by side as shown in Figure 1. In all cases, the figures must be located completely inside the paper margins. Figure captions, in 8 pt, should be positioned below the corresponding figure. Note the quality of figures should be good enough for printing. Table captions, also in 8 pt, should be positioned above the tables.

Table I: Captions in 8 point form and should be positioned right above the tables. Typical phonon frequencies (cm^{-1}) for nitride films [2].

Phonon Mode	AlN	GaN	InN
