Plenary Speakers

- ◆ Hiro-o Hamaguchi (National Yang Ming Chiao Tung University, Taiwan)
- ◆ Chia-Liang Cheng (National Dong Hwa University, Taiwan)
- ◆ Katsuyoshi IKEDA (Nagoya Institute of Technology, Japan)
- ◆ I-Chia Chen (National Tsing Hua University, Taiwan)

Symposium Topics

- ◆ Raman and resonance Raman spectroscopy
- ◆ Non-linear Raman spectroscopy
- ◆ Infra-red absorption spectroscopy
- ◆ Time-resolved vibrational spectroscopy
- ◆ Surface / Tip-enhanced Raman spectroscopy (SERS/TERS)
- ◆ Theoretical approaches of vibrational spectroscopy
- ◆ Development of novel vibrational spectroscopic techniques
- ◆ Vibrational spectroscopy and microscopy : their applications in analytical, biological, chemical, material, medical, or physical sciences
